PROFESSIONAL SUMMARY

Frontend Developer fresher with professional training in Frontend Web Development and hands-on practice through personal projects. Skilled in HTML5, CSS3, JavaScript (ES6+), Bootstrap, jQuery, and Responsive Web Design. Familiar with DOM manipulation, Git, GitHub, and deploying projects using GitHub Pages. Built responsive and interactive websites with a focus on clean UI, usability, and cross-device compatibility. Eager to begin a career in frontend development and contribute to a professional team while continuously improving technical and problem-solving skills.

TECHNICAL SKILLS

Languages:	HTML5, CSS3, JavaScript (ES6+)
Frameworks & Libraries:	Bootstrap, jQuery
Web Development:	Responsive Web Design, Flexbox, CSS Grid, DOM Manipulation
Version Control & Hosting:	Git, GitHub, GitHub Pages
Developer Tools:	Visual Studio Code (VS Code)

KEY PROJECTS

To-Do App | [GitHub](#) | [Live Demo](#)

- Built an interactive task management application using HTML, CSS, and JavaScript.
- Implemented task creation, management, and deletion using JavaScript and DOM manipulation.
- Designed a responsive interface that works seamlessly across different screen sizes.

Personal Portfolio Website | [GitHub](#) | [Live Demo](#)

- Designed and developed a personal responsive portfolio website using HTML, CSS, and JavaScript.
- Created sections to showcase skills, projects, and professional information.
- Optimized the layout for desktop, tablet, and mobile devices.

Stopwatch Application | [GitHub](#) | [Live Demo](#)

- Developed a responsive stopwatch application using HTML5, CSS3, and JavaScript featuring Start, Pause, and Reset functionality.
- Implemented real-time time tracking and JavaScript timing functions for accurate stopwatch behavior.
- Designed a clean, dark-themed responsive UI for a simple and user-friendly experience.
